

VISIT TO GREAT BRITAIN

GREAT BRITAIN IS AN ISLAND

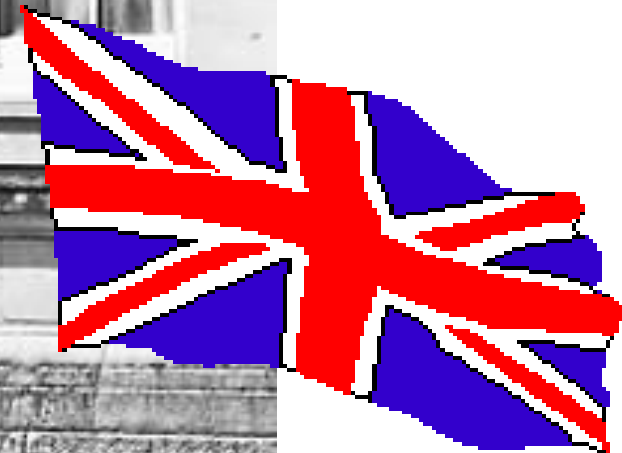

England is one of the countries that are part of Great Britain. The English flag depicts the red cross of Saint George on a white background.

The capital of England is London. This is the largest city in the country. Here is the Buckingham Palace. It is the queen's residence, but also the world's largest royal palace.

Guardsmen in characteristic uniforms can be seen in front of the palace.

Elizabeth II is the queen of Great Britain.

Tower Bridge is the most famous bridge in London. It was built at the end of the 19th century.

London is famous for the Elizabeth Tower clock tower called Big Ben.

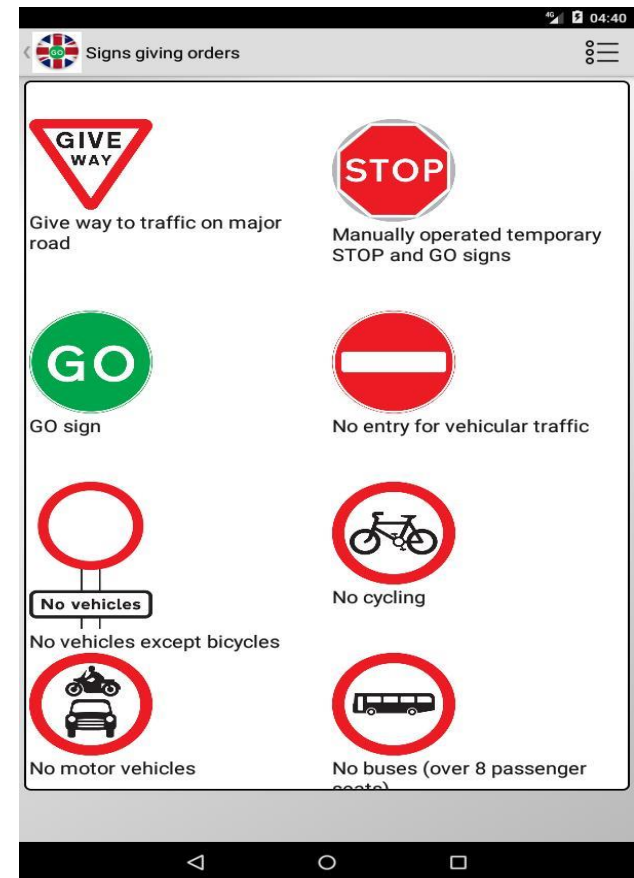

The Shard is the tallest building in London.

Red , double-decker buses and telephone booths are the most characteristic element of London.

Please note that left-hand traffic applies in the UK.
There is one street in London where traffic is on the right.
It is located next to the Savoy Hotel, which hosts famous stars and politicians.

The first underground in the world was created in London. Today the subway looks like this ...

Education in Great Britain

In this country the compulsory education lasts 12 years. The beginning of education begins at the age of five.

The English love tea. They drink about 6 cups a day.
The drink is served with various snacks, most often they
are cookies, rolls or fruit.

Known English dishes are: Seafood, Steak, Marmite, Black pudding
